

Compassionate Care Program

Oxy-Gen Laboratory is a compassionate company offering a wide range of financial assistance programs based on the individual's financial need. These programs are available to patients in the United States who want to have their tests done with Oxy-Gen. Patients must meet clinical and income criteria to apply for these programs.

Interest-free Payment Plans

Oxy-Gen offers interest-free payment plans.

Economic Hardship

For patients with no medical insurance and limited financial resources to cover the cost of testing.

To apply for Economic Hardship please complete the Application For Economic Hardship and submit it to Oxy-Gen Laboratory via email or fax.

Form: Application For Economic Hardship

Email: billing@oxy-genlab.com

Fax: 888-316-1232

Patient with commercial insurance

For patients who are insured with commercial insurance, Oxy-Gen can offer financial assistance based on the criteria (see the Financial Disclosure Form for details). Patients with U.S. Federal and/or State funded health plans (i.e. Medicare, Medicaid, TriCare, Champus) do not qualify.

To apply for Financial Assistance, please complete the Financial Disclosure Form and submit it to Fulgent Genetics via email or fax
